## SOUL STIMULATION

Since 2001, we have always had a very faithful audience, but now with SOUL STIMULATION, we have taken a new artistic turn. The arrival of Jeffrey on Lead vocals provides us with amazing songs, thus gaining a new audience. Jazz-soul international charts & playlists already include several titles of our album (over 240 000 streamings).

We are on a mission to play all over France with the next months and we are gaining exposure being first part of KOOL & THE GANG next June in Paris.

## WHAT WE CONVEY

Our music is the deep essence of what jazz was meant to be : a music that makes people gather, that makes you feel fine, and dance like jazz band would. Thus, as a long-lasting experimented band, we convey values of openness and gathering. We use different musical and cultural influences and we do not wish to be labeled. Thus, our music is unique.

On stage, we aim at creating a magic party with an incredible show.

Stevie WONDER & Maurice WHITE among others, couldn't resist our energy.

With Stevie Wonder

NOJAZZ has always included diverse **collaborations** from the very beginning, starting with **Teo Macero** (**Miles Davis** legendary producer) who produced their first album in New York. Then among others joined **Mangu, Claude Nougaro, Bishop Lamont, Earth, Wind and Fire** with the mythic **Maurice White**, as well as the iconic **Stevie Wonder**.

# SPONSORSHIP

## WHY WE NEED SPONSORSHIP

### OUR GOAL

After touring France, we want *SOUL STIMULATION* to tour the world.

Our goal is to tour 5 countries on 3 continents during 4 years.

We are targeting

- Northern Europe (Germany, Denmark, Sweden, Finland...)
- The USA
- Asia

Now, to reach our goal and develop worldwide means

- to hire a communication-press officer in each country (6 months contract)
- trip expenses : transportation- accommodation - food

A tour costs between 30 000 to 40 000 €, depending on the countries.

We are thus in need of 200 000 € and this is why we are looking for strong sponsorship. (It is important to notice that so far, NOJAZZ has always managed by itself on many levels)

## HOW YOU CAN SPONSORSHIP

We want to find a sponsor who could use exposure to our fans and build a strong relationship.

Sponsorship can be

- services such as flights or accommodation supplies
- any amount of money

## WHAT WE CAN OFFER

As partners, we can offer

- the name of your company on website, concerts and tour posters, EPK, any documents related to SOUL STIMULATION TOUR
- Complimentary tickets for shows
- International significant exposure

Of course we are open to any business partnership suggestions
